Miss Pamp,

Sorry we dint get along in the Beggining. But I think we resolved most of our our problems as the year went on. I hope in the future if we see each other, we think of each other as friends.

Pamp Well I'd 3 years and we didn't drive each other into an asylum (yet) First I would like to thank you for teaching me so many things about acting, second I hope you never get someone like me ever again. I will be like the end of a dynasty next year Thanks for everything

Miss Pamp,
You go beyond a teacher to me, I would like to thank you for getting me involved in drama club and class week I met more people and had more fun with you and the other students. I'll never forget you, you made high school a great place to be
Love,
Jom

Were have the years gone?
It seems like only yesterday we were struggling sophomores,
In a maze of long, crowded hallways, striving to complete
Thirty biology labs and to memorize the kings of France and
England in chronological order.
Do we have to swim today?
We sat in class watching the seniors walk by, heading for the
Library Field. Permission granted.
Graduation seems like a lifetime away, a figment of our imagination.
But for the seniors of '82 its a living reality.
Then Juniors.
We were sandwiched between strange new sophomores, taking our place,
And familiar seniors, who happily granted us theirs.
Cram up on your schedule so you can relax next year.
Earth science-What causes volcanoes?
English and Social Studies-Two term papers due? We'll never make it!
SAT-What's your score? I hope I break 1000.
The seniors still walk by. Graduation is nearing.
Maybe we'll make it afterall!
We're finally seniors!
It feels good to be on top, but there's no time to think.
Applications have to be sent out. Which college should I go to?
SAT again? I thought I've been through all that before.
Prom this year. We'll make it great!
Driver's Education-we have to pass our road tests. We need transportation.
The library field is ours. Permission granted.
It's almost over! Graduation! What a fuss!
The years were hectic. So much to do. So little time, but we
Had so much fun. We'll miss you West Islip High!

Silvie Marc and Agustin Blasco

To all West Islip and each one of you who helped us. Especially to our families, Family Aubin and Family Smith who opened their homes and hearts for us. You'll stay with us forever. Thank you with love and gratitude.

Silvie and Augie.

THE CLASS OF 1984 IS HONORED TO DEDICATE THIS BOOK TO MRS. NANCY O'KEEFE

W.I. Students have always run the production of Fore 'n Aft, but the impetus behind the scene is Mrs. Nancy O'Keefe. Since 1979 she has been responsible for the successful production of our yearbook. She always gave her students a free hand in creating their own book, but from time to time pointed us in the right direction. Although the yearbook is not her only responsibility, Mrs O'Keefe puts in her all to make sure that every Senior Class gets the most out of their book.

Despite some personal misfortunes this year, Mrs O'Keefe never shirked her duties as our advisor. She always made sure we could, and did, meet deadlines and handle the problems that come up.

The Class of 1984 and the 1984 yearbook staff would like to extend our deepest appreciation to Mrs Nancy O'Keefe. We both appreciate and recognize the fantastic job she has done.

THANK YOU!

Dear Grace,

An era of my life is coming to a close. Three "wonderful" years that will remain a magnificent memory that will remain in my heart forever. I remember thinking as I left Ninth grade, the high school will never feel like home. The friendships I had made at Beach Street I thought would last forever. Oh, the ignorance of a youthful heart. I remember how scared I was of leaving the secure cocoon we had all woven around ourselves. The questions were endless. Will I like high school? Will I make the play? What does the future hold? Finally, who is this Mo Pampinella? At the time I thought that he never would be another teacher who could mean as much to me as Mr. Fitchen. Fortunately I was very wrong. You came into my life; this vibrant, warm and caring person who saw things in me that no one else had bothered to look for. You helped to make high school a home; a place where I could go and be with friends

JANET PAMPINELLA is an English teacher and dra

As a single advisor during our senior year, she worked twice as hard to help us to maintain superiority. She is a friend as well as an advisor.

EDWARD RITCHEN is the choral teacher as well as our class advisor. He worked hard to make sure we were fully prepared for everything we did. He gave us personal and moral support in and out of school. Although he was not with us physically, he kept up with all our plans through Barbara and Pamp. He remains an Honary Senior.

WE ♥ YOU.

VANITIES

This year the SENIOR CLASS presented two plays; Vanities, starring Nancy Agovino, Denise Hayden, and Claudia Arikian and Mister Roberts, starring Michael Manley, Jim Schumacher, Nick Cardlin, and Ken Kocienda. Both plays, directed by Miss Janet Pampinella, were huge successes. Vanities, presented on Nov. 5 & 6, was the story of three friends growing up together. Mister Roberts, presented on Nov. 18 & 19, told of a Naval officer, and his shipmates.

Miss Pamp,
You've taught me so very much over the last two years. How to act, how to direct, how to manage a stage. Thanks for bringing out in me talents I never even suspected I had. And thanks a lot for casting me in a play with 30 wonderful guys. One more thing - your made this class the best it could be and for that there aren't enough words to thank you with.
Love
Jeremy

Dear Pamp,
Although I'm a pain in the tuckus sometimes, I may be the worst person you ever had to direct, I glad to have shared IN your friendship.

CHEF'S CLUB

The chefs' club is sponsored by the Home Economics Department for all students interested in learning more about foods and cooking skills. The advisor, Mrs. Barbara Krakell, started the club to give more students a chance to broaden their experiences and to learn more about elective courses in the high school. Some of the projects the club has worked on this year include: making candied apples and Halloween masks for the W.I. Day Care Center, baking pumpkin bread for Thanksgiving food baskets, entering a gingerbread house contest, molding chocolates, and attending a presentation by a local chef. The club hopes to expand membership and try even more activities next year.

SENATE

This year's Senate, under the leadership of President Michael Manley, and Vice-President Charles Dorn, has been an outstanding association for its charity functions (Christmas Party for the mentally and physically handicapped) to its social gatherings (Homecoming Dance, Spring Coffee-House) to its state wide reprsentation (NYSSSO, Oceanside Model Congress, and REFIT). A truly versatile organization, the Senate is a cross-section of the entire student body. 1984 has been good to the Senate, and therefore great for the students it represents!

The West Islip Lions of 1983 opened their season on September 25 at Hofstra University against the Flaming Arrows of Sachem. The game was a very exiting one with close calls everywhere. The Victory was won by Sachem and was one of West Islip's near misses.

Unfortunately, the Lions did not have a very outstanding record of 3 + 3 League Division for 1983.

Also, it was a year in which a senior group, many of whom had been involved in the West Islip football program since their Jr. High days were accorded a number of individual honors. Noted for all League were: Tim Moore, Scott Nicholson Tom Iannone, Chris Dennehy, and Jeff Young. Honorable Mention was given to Mike Danseglio, Mike Anderson and Ken Nightengale.

Last, but certainly not least, our respect and admiration goes to Mr. Wayne Shierant, our Head Coach, Mr. Scott Craig and Gordon Hodgeson, our Assistant Coaches for all of the dedication and moral support they have given the whole team.

Even though we did not taste the thrill of Victory often enough, we realized we were like a family, suffering blood, sweat, tears, and many of us pain,. Still, we did experience the pride and dignity that all West Islip Football Lions have experienced in the past and will in the future.

Our hearts are heavy as we see the close of another football season, but we can stand tall and proud knowing we were part of a good team. The fond memories will long be remembered.

The 1983-84 J.V. Football team started it's season with a 13-12 victory over Sachem's Flaming Arrows. This victory was the beginning of a season which proved to be very successful. The team was undefeated in league and non-league play with an overall record of 8 and 0. Coach Bertilone did an outstanding job of getting the team together and showing their tremendous skill. "Seniors"

"Alright, who's got the ball?!"

The 1983 Edition on Lions Soccer, led by captain's Mike Manley and Ed Barrera, began with little experience and high hopes. With only four lettermen returning, the remaining positions had to be filled with underclassmen. In goal, Bill Morris split the duty with Steve Valadares and ended with a 2.00 goals against average. At the fulback position anchored by all leaguer Paul Mangels, were the underclassmen who played extremely well, Bob Ulrich, "THE SWEEPER", and the wingbacks Matt Sibley and David Young. Seniors Kevin Doyle, Andy Olsen, Pat Ryan, and Phil Smith provided much needed relief for the starting group.

The mid-field, comprised of junior all leaguer Vinny Lopez and John Nadvornik and sophomores Scott Cruthers and Dave Campanile, kept the opponents from attacking our goal while attacking our opponents goal. Charlie Smith, Pete Nierenberg, and Kenny Dookram did a fine job in a replacement role.

The Forward's who made the All League Team, consisting of senior's Mike Manley, Ed Barrera, and sophomore Scott Moore, were responsible for a very respectable 1.8 goals for average. They were assisted by junior's Guy Rollman, Matt Pfeufer, and Derick Dookram.

Ending with a season's record of 7-8-1, the young Lion's, although not making the play-offs, were awarded the Suffolk County Soccer Officials Sportsmanship Award. This award was a tribute to their play, attitude, parents, school, and community.

VARSITY BASKETBALL

The boys Varsity Basketball team had a rough season winning one game and losing seventeen.

The Lions were plagued all season by injuries and illness. During one stretch of the season it was difficult to gather enough healthy bodies to hold practice. All-League forward Brian Grady missed a good part of the season with an ankle injury.

Throughout the season fine efforts were made by senior forward Ed Johntry, senior center Paul Mangels, senior forward Todd Meyer, senior guard Jeff Parker and senior center Mike Marran. Indispensable juniors Al Casiano and Bill Seward also contributed a great deal to the teams season.

WRESTLING

The 1984 Wrestling season proved to be a most successful one, both on a team level and on an individual basis. The Varsity matmen completed the season with an overall record of 10 wins and 3 losses. In team tournaments, the Lions finished first in the Amityville, Bayport and Islip tournaments, and placed second in the Port Jefferson tournament. In post-season competition, West Islip placed third in the League Two meet, and then wrestled to a fourth place finish among over 50 teams in the Suffolk County Championships.

This season's success was due in large part to a number of outstanding individual efforts, particulary by seniors Brian Bohnacker (11-8-1), Ralph De Filippis (18-2-1), Jim Donovan (27-4), John Donovan (15-6), Bob Himbele (9-12), Mike Natow (28-4-1), and Chris Romero (19-4), Sophomore Ricky Brzozinski (32-0), Bob Harvey (10-8-1), Tony Mellino (26-4), and Junior: Rich Palmgren (10-10) made tremendous contributions, as well.

In post-season tournaments, League Championships were won by Ralph DeFilippis, Rick Brzozinski and Tony Mellino, Jim Donovan was runner-up, Chris Romero and Mike Natow placed third, and fourth place medals were won by Bob Harvey, Kevin Henry, Bob Himbele and Mike Hopkins. The Suffolk County Championships saw West Islip place six men in inividual weight classes: Rick Brzozinski (champion), Ralph DeFilippis (runner-up), Mike Natow (3rd), Jim Donovan (4th), Chris Romero (5th), and Tony Mellino (6th). Rick Brzozinski cupped an incredible season by winning the New York state 91 pound crown.

This season's Junior Varsity posted a fine 8-2 record, as many individuals turned in strong performances throughout the campaign. Several underclassmen progressed so well that they earned berths at various times during the season.

After three years of success which saw West Islip win sixty games, earn three playoff berths, and annex a league championship, inexperience, rain, and cold were the sentinels as the 1984 Lion Baseball Club struggled in March to ready themselves for a tough twenty-four game schedule.

Only two seniors with any amount of varsity competition under their belts were among the starters as the pre-season slowly unfolded between wet, muddy fields and frigid north winds. Co-captian Jim Thomason, an anchor at third base last season and one of the teams more dependable hitters, and co-captian and pitcher Ed Johntry, who emerged as a solid high school hurler during the '83 stretch drive, were on hand.

When asked for his annual assessment, Coach Nagengast replied, "the future for this team is one big question mark. We have some proven talent and some potential, but we lack that one necessary ingredient that would make us a contender right now—experience."

Joan Bowden and Michelle LeMaitre are seniors returning to this year's varsity. Two seniors new to the varsity will be Sue Breitfeller and Paula Staeller.

Donna Kappauf and Toni Friscia return to play the outfield and third base as they did last season. Juniors moving up from last year's Junior Varsity include, Cathy Tamasi, Gloria Crisci, Mary Irving, and Alice Park.

Having graduated seven starting players, a great deal of the team's success will depend on the younger players. Robin Palma, a sophomore, is in her second varsity season. She was the starting pitcher in most of of the varsity games during the 1983 season and is likely to repeat that role in 1984.

Other sophomores who will play for the varsity are Kim Fish (a catcher-first baseman), Barbara Erickson (a pitcher-catcher-third baseman), and Connie Capone, a left-handed, fleet footed outfielder. Also expected to do the job at shortstop and pitching is eighth grader Linda Bassler.

The Lady Lions are young, optimistic, and enthusiastic. The coaching staff is hoping for a competitive season that will be enjoyable for all involved.
